

Instructions

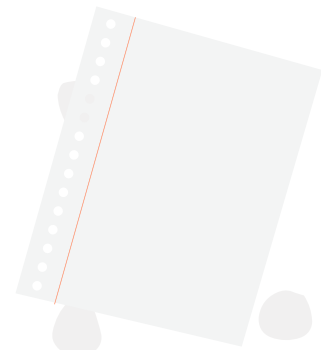

1 hour

scissors

kids glue

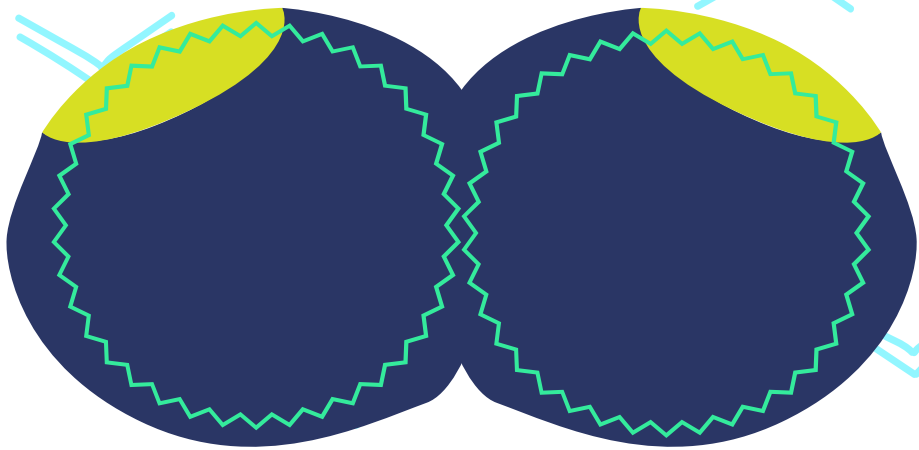

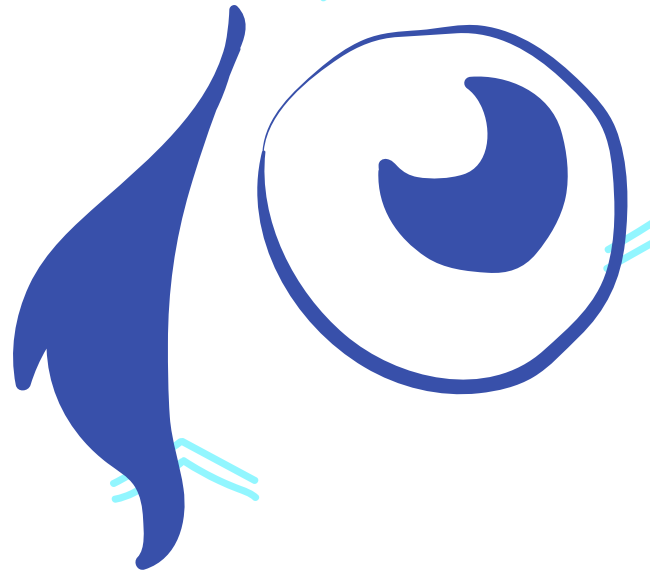

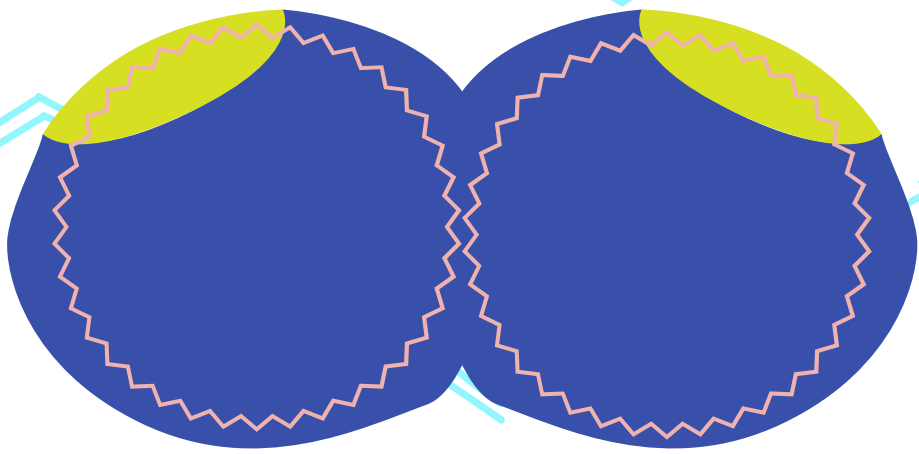

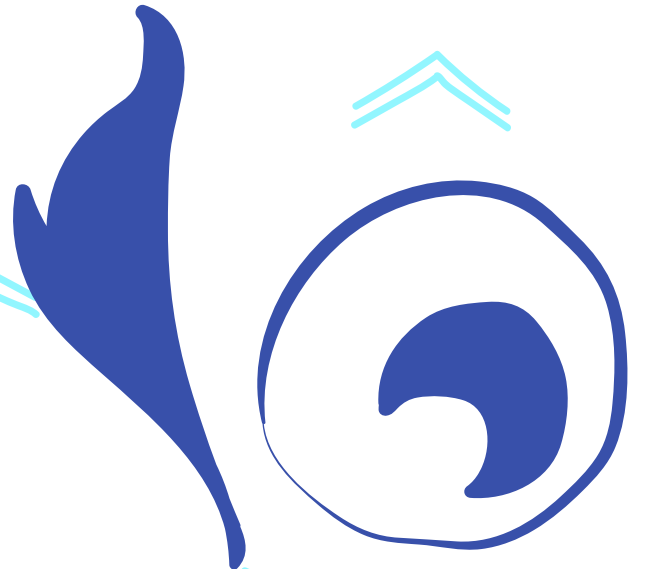

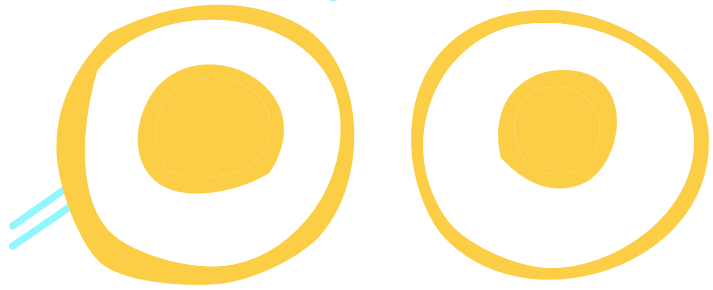

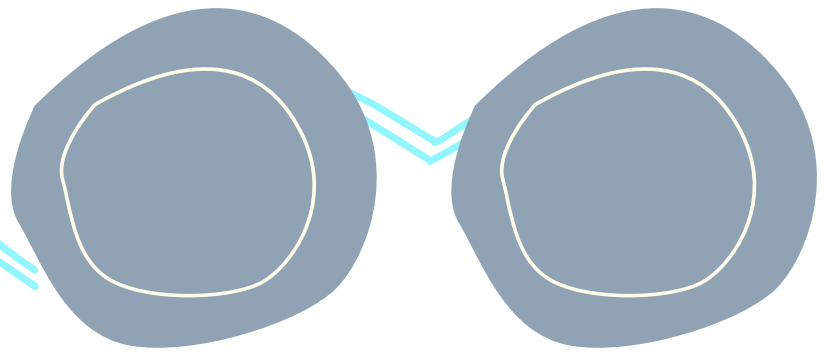

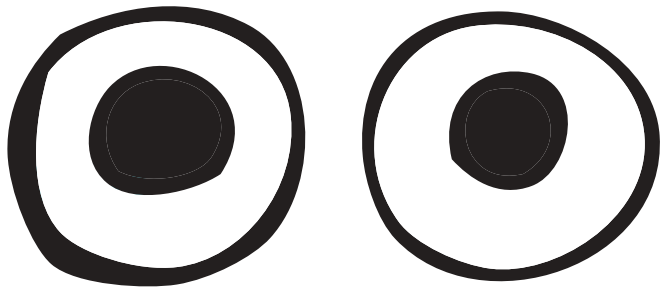

plain paper

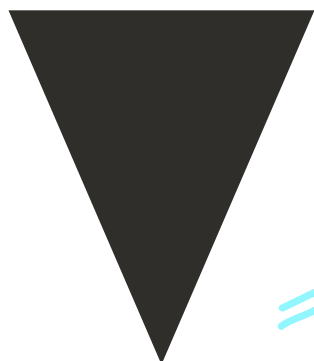

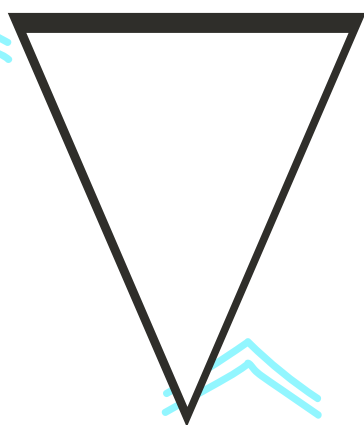

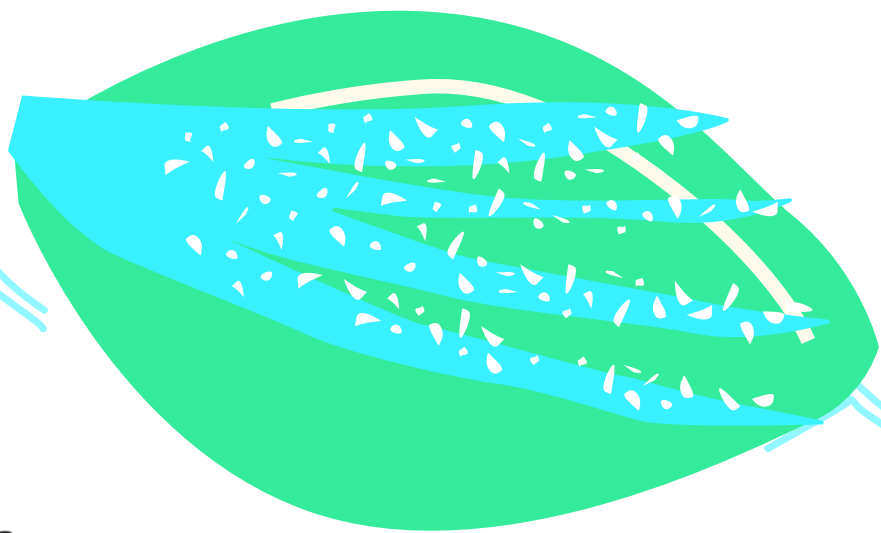

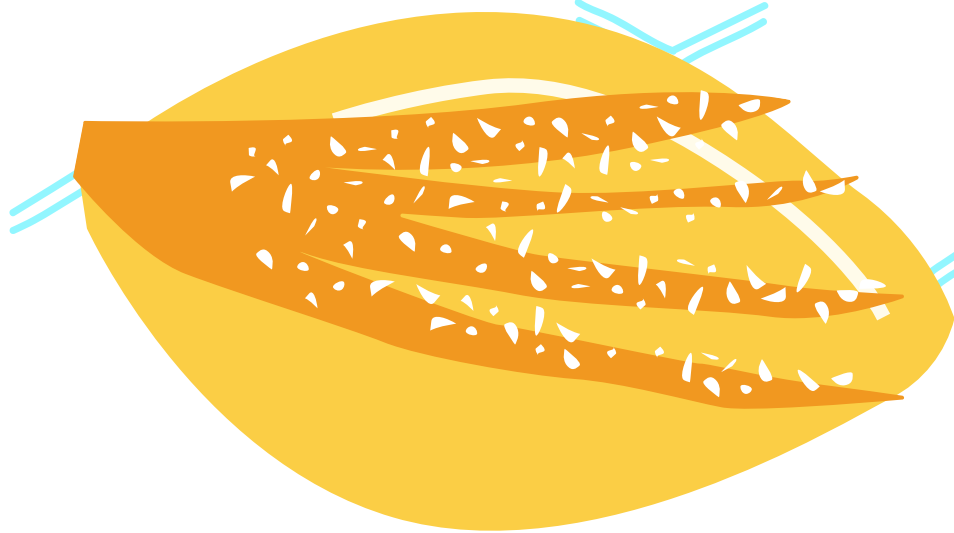

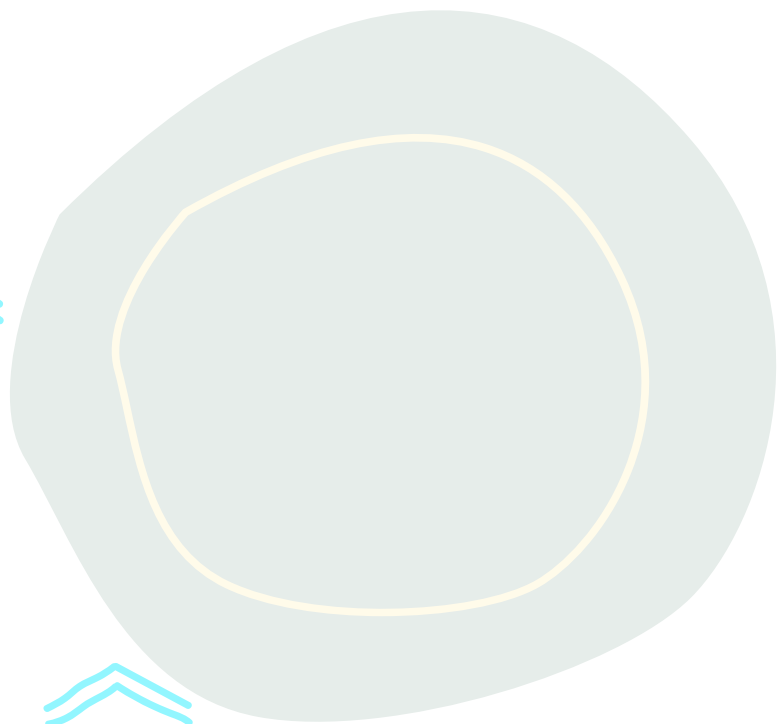

What To Do

- Cut out Hoots individual body parts and assemble them into your own owl.
- Use glue to stick down Hoots body, eyes, eyebrows, wings, feet and beak onto a piece of cardboard, plain paper or into your craft book
- Mix and match the eyes, feet, body, wings and more to make your own version of Hoot.

"hey, I'm Hoot!"
